ABOUT THIS SPACE

Suite 710BC is a 1,390 SF office at the south end of the 7th floor, spanning two connected sections. It's a quieter corner of the building, away from the main elevator lobby — a good fit for a team that wants some separation from the building's foot traffic.

Windows at the east end of the suite bring in natural light. The south-end position makes for a calm, focused working environment.
