

SOFTWARE ACCELERATOR APPLICATION

Visit <https://www.bouncehub.org/apply> to submit your application. This document is to help you prepare (if necessary) before using the website.

- What is the name of your startup?
- Share some collateral with us: a website, blog, social media, etc.
- Do you have a business address now? If yes, please provide it.
- What industry are you in?
- How long have you been in business?
- Describe what you are working on, please be concise.
- Who are your co-founders? What does each person do for the company? How much of the company does each of them own? Please include their emails here as well.
- How do you know your product solves a problem?
- What is your big vision? Where do you see your company/product in 10 years?
- How does your startup make money?
- Who are your competitors? Which competitors or potential competitors do you fear most?
- Drop some knowledge on your market: market size, the landscape at large, why is now the right time for your startup?
- Have you raised any capital? Please give us details.
- What metrics are you tracking, or plan to measure?
- What do you hope to get out of the Bounce Software Accelerator?
