

NEXT LEVEL INCUBATOR APPLICATION

Visit <https://www.bouncehub.org/apply> to submit your application. This document is to help you prepare (if necessary) before using the website.

- Company Name
- Company Website (if applicable)
- Business Address
- What does your business do? What industry does your business focus?
- What is your previous business experience? If this is your first business, how long have you been in business?
- Does your business make money? If so, how? Are you profitable?
- Do you pay yourself? How about any employees?
- What are your immediate growth goals for your business in the next 12 to 24 months?
- Where do you see your business in 5 years? How about 10 years?
- How can we support you in achieving those goals?
- Please tell us about your current business needs.
- What are the areas you feel like you need the most support right now?
- Are you able to commit to meeting with an entrepreneur-in-residence regularly for advice for the duration of the program?
- Tell us about a time you took advice from someone and implemented it.
- In what ways do you think Bounce will be able to help you and your business?
